A close-up photograph of a sleek, metallic cylindrical object, possibly a pen or a stylus. The object is dark and has a brushed metal finish. The word "vola" is engraved in a simple, lowercase, sans-serif font on the side of the cylinder. A vertical rod or stem is attached to the top of the cylinder. The background is a light, neutral color, and the lighting is soft, highlighting the texture of the metal and the sharp edges of the object.
